Who was it Ashok?
It was my Kunal Uncle. He's decided to come by for a visit!
Mmm...I'll be busy preparing a presentation for the office. So you'll have to go pick him up yourself.
Mmm, it's been almost 3 years since he last came here.
I wonder if he still remembers me!

My body still remembers all the things he did the last time!
Ahhnn... UNCLEJI!!!
It was barely a week after Savita's affair with Rohit. Ashok was still busy with his office work and left her alone at home. It was then that Kunal Uncle visited them for a month long visit...

I wonder what Ashok will think when I tell him his wife is thinking of another man!
Oh god! I was so careless yesterday
What do I do now?
I don't want to ruin your marriage bahu!
I just want to solve this problem inside the family.
Inside the family?
Why do you need other men when you have a relative here who's willing to satisfy all your needs!
